Message/Instruction: Re: This HMC booklet gone to n + ns Rabe
 See to Sharon Conning (as Anna is witness on A/L)
 Nicky Conning dictated the letter to Anna but for
 Dr McBride's signature

Spoke Nicky Conning. She has a copy of the letter
 to n + ns Roberts (signed by Dr McBride) + it
 starts off by saying "I enclose info on the
 role of HMC — " so it should have been
 sent on. Nicky will share copy of letter
 with us for info.
