Michael

I have reported Claire Robert's death to H M Coroner yesterday as requested. Mr Leckey asks that the parents should now be invited to contact his office in order to express their concerns directly to him and he will take things from there.

I think the letter to Mr and Mrs Roberts should come from your office rather than mine given its adversarial name. I attach a copy of the Coroner's Booklet (hard copy available from my office if you prefer) for you to include with your letter.

Peter

*Please e-mail the text of my letter to Mr Leckey to Dr
 McBride for his information - sent 16/12/04*
