John Heaney phoned
says the family are now
getting a solicitor involved
therefore he is adjourning the
inquest. Their solicitor will be
Joseph Stewart - Ballynelly

His secretary will ring Therese
Brown + he will also write to
the 3 people involved in England.

(307)

He cannot give a new date
because he thinks that once
people read the Court of Appeal
Judgement they will want to
know if the matter will go
to the Lords. Certainly the
government was against the
Appeal Court decision/approach.

He is still open to meeting
Gerry McEllinder + CSB representatives
