BY HAND DELIVERY

Dear Madam,

Re: Inquiry into Hyponatraemia related deaths
Our Client: Dr James Kelly

Further to previous correspondence, we enclose one lever arch file containing correspondence between Carson McDowell and the GMC. Please note that Item 3 (Telephone Attendance Note dated 4th March 2011) is a typed version of our Mr McMillan's note of the telecon but is **not** a verbatim account of the discussion.

In addition, we have further reviewed the documents that we hold on file, and enclose 'Further disclosure' documents (section 20-22), which, whilst not necessarily relevant, the Inquiry may wish to have for the sake of completeness.

Finally, we enclose an additional file containing papers relating to our correspondence to the GMC dated 10th February 2012 (section 8).

Yours faithfully,

Carson McDowell LLP
