

SUPPLEMENTAL BRIEF FOR EXPERT ON RADIOLOGY

ADAM STRAIN

Introduction

1. You will already have received a brief and accompanying chest x-ray taken at 1.20pm on 27th November 1995 (2 hours after the end of Adam Strain's renal transplant operation).
2. We have received your report dated [date] and would now like to report on a further chest x-ray that we have recently received.

Requirements

3. The Inquiry team requires your assistance with the following matters:
 - (1) Please report on the chest x-ray (attached) taken at 9.30pm on 27th November 1995 (10 hours after the end of the operation).
 - (2) In particular, please report on:
 - (a) The state of the lungs
 - (b) The position of the CVP catheter
 - (c) Whether there is any evidence of subcutaneous oedema.
 - (3) Please describe any differences between the first x-ray you reported on and this x-ray, and explain the significance of any such differences.

Conclusion

4. It is of fundamental importance that the Inquiry receives a clear and reasoned opinion on these issues.
5. Your assistance on the Inquiry's requirements should be provided in the form of an Expert's Report (please reference if necessary).
