Dear Ms Beggs,

Re Investigation into the death of Adam Strain

I refer to the above and to correspondence we have recently exchanged. A few matters, raised in letters of 30<sup>th</sup> June 2010 and 21<sup>st</sup> July 2010, remain outstanding, namely:

1. In the final paragraph of your reply (dated 24<sup>th</sup> August 2010) to my letter of 21<sup>st</sup> July 2010, you stated that your client was in the process of obtaining information sought regarding paediatric renal transplants. I would be obliged if you would update me on what progress is being made in this regard and indicate a date when the Inquiry is likely to receive a substantive response.
2. With reference to your letter of 25<sup>th</sup> August 2010, I would be grateful if you would ask your client to identify, with reference to the page numbers, the entries in Adam's medical charts (RGH 4-13) which relate to his attendance at dialysis and renal clinics.

I am obliged for your assistance.

Yours sincerely,

Anne Dillon  
Solicitor to the Inquiry
