Dear Madam

RE: INVESTIGATION INTO THE DEATH OF ADAM STRAIN

I refer to the above and to your letter of 5 October 2010.

1. In relation to point 1 of your letter, the Trust has advised that the medical records of all children who underwent renal transplantation in the Royal Belfast Hospital for Sick Children under the Belfast Health and Social Care Trust are being recovered from the medical records department and from off-site archive storage to answer the questions posed. Some of the records are proving difficult to trace and to date 50 patients have been identified. The Data could be supplied now in relation to those patients whose records are available, and it is possible some of the patients' records may prove untraceable.

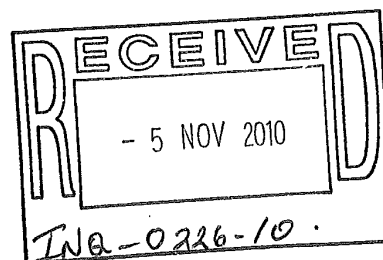

Please advise whether the Inquiry would prefer to receive now the information that is presently available.

2. Please see attached table which lists Adam's attendance at dialysis and renal clinics.

Yours faithfully
