Dear Ms Beggs,

I refer to Anne Dillon's letter of 29 November 2010 and your reply of 20 January 2011 (copies enclosed). In your reply you say that the list is drawn from the chronology previously supplied (RGH 3). It is however apparent that the list is deficient as it does not include all of the medical, surgical and nursing staff who were present or on call.

Could you firstly confirm to me the absolute accuracy of the chronology RGH3?

What I require is the Rota for the period specified in the letter of 29 November 2010, identifying who was on duty in the hospital and who was on call.

I await hearing from you as a matter of urgency.

Yours sincerely,

Clare Mc Givern

I refer to the above.
