Dear Madam

**RE: INQUIRY INTO HYPONATRAEMIA RELATED DEATHS**

I refer to your letter dated 25<sup>th</sup> May 2011 (CMcG-0007-11).

The Chronology (RGH3) is a listing drawn up as requested by the Inquiry in your letter of 1<sup>st</sup> December 2004 and was made from an examination of Adam Strain's Clinical records to identify all staff who were involved in Adam's treatment during his admission to RBHSC from 26<sup>th</sup> to 28<sup>th</sup> November 1995. Its absolute accuracy is open to challenge but the Trust cannot identify any other staff than those we have detailed.

The listing (2 pages) of those who were on "On-duty" or "On call" was provided on foot of the inquiry request of 29<sup>th</sup> November 2010 (AD-0189-10) which asked for "The names and job titles of those members of nursing and medical staff who were on duty and involved in Adam's care between 8pm on 26/11/1995 and midday on 28/11/1995. Of that group, please identify who was present in the hospital and who was on call."

As previously reported to the Inquiry in my letter dated 7<sup>th</sup> April 2011 (AD-0208-11), the nursing duty rotas for the period of Adam's admission from 26<sup>th</sup> November – 28<sup>th</sup> November 1995 are no longer available. The medical staff duty rotas for the period are also no longer available.

Yours faithfully
