Chairman
Inquiry into Hyponatraemia related deaths
Arthur House

Dear Sir

INQUIRY INTO HYPONATRAEMIA RELATED DEATHS – ADAM STRAIN

I refer to your letter dated 12th August 2011 (JOH-0105-11).

I enclose list of junior anaesthetic trainees who were attached to the Royal Group of Hospitals on the date of Adam Strain's transplant operation on 27th November 1995. They worked on rotation for several months at a time in the different theatre locations on the site. It is not possible to identify which of them might have taken over as the "other anaesthetic trainee" when Dr. Montague went off duty. The addresses given are 1995 addresses so many will not now be correct.

The Trust is aware that a number of these doctors are working in hospitals throughout the province and I enclose a list providing details thereof for your information. Should the whereabouts of any of the others be identified I will forward the information to the Inquiry.

I should be grateful if you could inform me if the trainee Anaesthetist identifies him/herself to the Inquiry so as we can offer him/her the support and advice of the Trust and this Directorate.

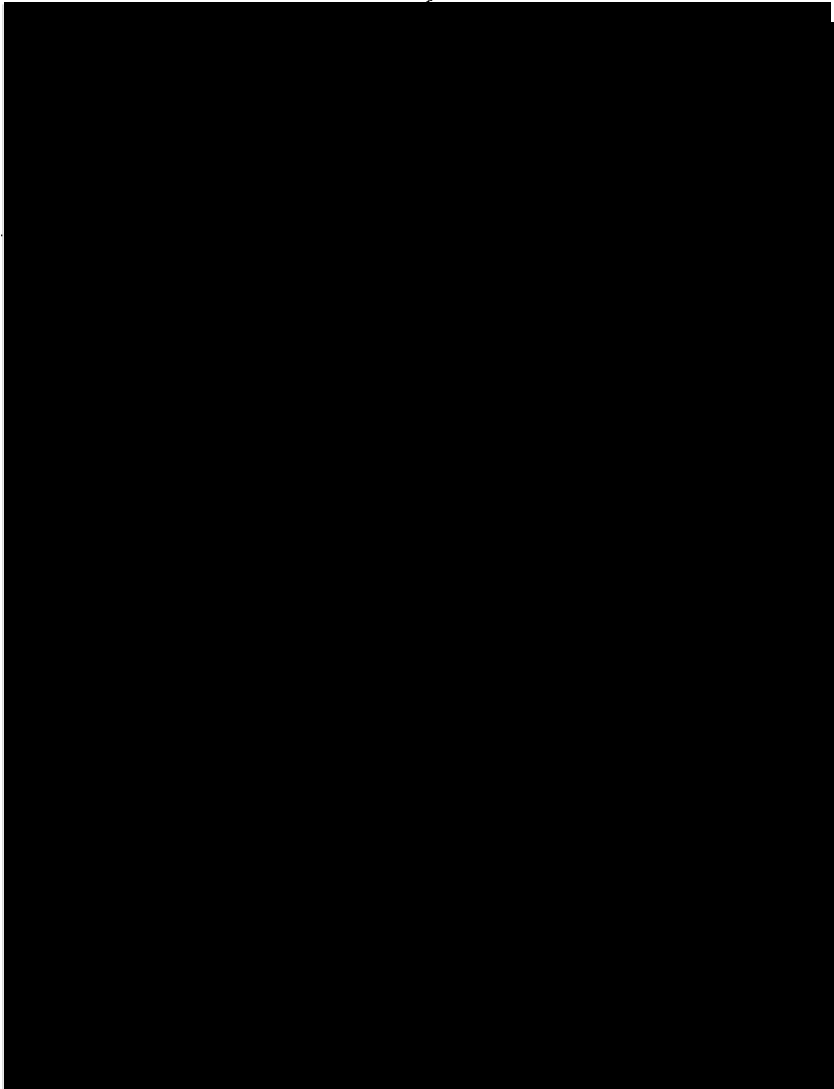

Yours faithfully

Wendy Beggs
Assistant Chief Legal Adviser
