Dear Ms Beggs,

Re Investigation into the death of Adam Strain

Please advise if the theatre in which Adam's transplant was carried out on the 27th November 1995 stocked hypertonic saline solution. If not, please confirm where this was stocked in the RBHSC and how long it would have taken to bring this solution to the theatre if requested by the anaesthetist.

I require your response within 7 days from the date hereof.

Yours sincerely,

Bernie Conlon
