Dear Madam,

### RE: INQUIRY INTO HYPONATRAEMIA RELATED DEATHS

I refer to your letter of 21<sup>st</sup> September 2011. I am instructed that Hypertonic Saline solution was not stocked in the theatre where Adam's transplant was carried out on 27<sup>th</sup> November 1995. I am instructed that it was stocked in PICU and would have taken less than two minutes to bring from PICU to theatre if requested by the anaesthetist.

Yours faithfully

Wendy Beggs  
Assistant Chief Legal Adviser
