Dear Ms Beggs,

Re: Adam Strain

I refer to your letter dated 24th October 2011 Ref: INQ-0496-11 (copy enclosed).

Given that Mrs Boyce has confirmed that a Protocol was drawn up in July/August 1992 (thereby confirming its existence), I would ask you to provide an explanation as to why no trace can be found of the aforementioned Protocol.

I look forward to receiving a response within the next 7 days.

Yours sincerely,

Dear Sir,

RE: INQUIRY INTO HYPONATRAEMIA RELATED DEATHS

I refer to the above and your letter of 17th October 2011 (BPC-0032-11). I note that in response to question 3 Mrs Boyce (nee Donaghy) refers to the protocol drawn up in July/August 1992 in relation to the Belfast City Hospital Transplant Ward, which covered procedure for both when she was on and off duty. However, you will note that Mrs Boyce also states that the protocol to which she refers no longer exists.

I am instructed that the Trust referred your request to Mrs Boyce who has indicated that she does not have a copy of this protocol to provide to the Inquiry as it is no longer in existence.

I trust that this clarifies matters.

Yours faithfully

Joanna Bolton
