Dear Ms Beggs,

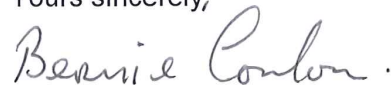

Re: Adam Strain

I acknowledge receipt of your letter dated 11 November 2011 concerning a recent review of transplant services in Northern Ireland.

Please note that at paragraph 3(B) of the Terms of Reference states that "*Mr O'Hara will make such recommendations to DHSSPS as he considers necessary and appropriate*". To enable Mr O'Hara to make recommendations he must be aware of current practices. Our expert John Forsythe, who was involved in the review, has informed us that this report is relevant to the work of the Inquiry.

I would be obliged if you could provide a copy of the report by Monday 21 November 2011 at the latest.

Yours sincerely,

Bernie Conlon
Secretary to Inquiry
