Dear Ms Beggs,

Re: Investigation into the death of Adam Strain

I refer to your letter dated 15th November 2011 Ref: INQ-0522-11 (copy enclosed).

I would ask that you provide the Inquiry with further information arising from your above mentioned letter:-

- (1) Having identified the initials as those five persons, the Inquiry requires clarification as to which signatures and which documents relate to each individual
- (2) The Inquiry requests that you provide the position that the individuals held in November 1995 and the dates/times/locations of where they were on duty between 26th – 28th November 1995. The Inquiry is aware that Doctor Meenakshi Bhat was a Paediatric SHO who looked after Adam Strain in PICU from 27th November 1995
- (3) The Inquiry requires an explanation as to why the laboratory reports were signed by clinicians and the significance of the signatures

I look forward to receiving the requested information by Thursday 24th November 2011.

Yours Sincerely

Brian Cullen
