Dear Madam,

**RE: INQUIRY INTO HYPONATRAEMIA RELATED DEATHS**

I refer to the above and Mrs Begg's letter of 25<sup>th</sup> August 2010. You will note that the last line thereof refers to Dr. O'Connor documenting her consultant involvement in the case of Adam Strain pre-operatively at 058-035-134. This statement is incorrect as we now know from Dr. O'Connor's witness statement that this untimed entry in the notes refers to her first involvement being during the operation and not before it. The Trust has asked that I draw this matter to your attention to avoid any future misunderstandings.

Yours faithfully,

*Joanna Bolton*
