Dear Madam,

RE: INQUIRY INTO HYPONATRAEMIA RELATED DEATHS

I refer to the above and my emails enclosing RBHSC theatre ledgers for the 16th June 1996 and 31st March 2000 which confirm the information contained in our letter of 2nd August 2011.

I am instructed that the operation on the 16th June 1996 involved a 7 year old child and the operation on 31st March 2000 involved an 11 year old child.

I can confirm that a representative of the Trust will attend the hearing tomorrow morning with the original theatre ledgers for inspection by Counsel for the Inquiry, the Chairman of the Inquiry, Mr. Keane and his legal team. Due to the fact that these documents will be unredacted and therefore contain the personal information of patients unrelated to the Inquiry we would ask that they are not disclosed to any other party. However the redacted copies provided to you today, by email, may be made generally available if necessary.

Furthermore we would ask that the names of the patients involved in the relevant operations are not referred to during the hearing rather that they be identified by a letter or number so as to protect their privacy.

Please do not hesitate to contact me if I can be of any further assistance to you.

Yours faithfully,

Joanna Bolton
