Your Ref: NSCB04/1
NSCW50/1
NSCS071/1

Our Ref: AD-0207-11

Date: 2 February 2011

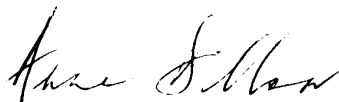

Dear Ms Doohar,

Re Procedure for referring a patients' deaths to the Coroner

With reference to the above, the Northern Health and Social Care Trust have written guidance for the procedure to be followed when an adult hospital death occurs.

I would be grateful if you would inform me whether the Trusts that you act for have similar guidance, for both adult and childrens' hospital deaths.

Yours sincerely,

Anne Dillon
Solicitor to the Inquiry

Secretary: Bernie Conlon
