Dear Ms Beggs,

Re: Claire Roberts

I refer to my letter dated 7th December 2011 Ref: BPC-0067-11 and note that to date the Inquiry has not received confirmation as to whether Claire Roberts' brain was photographed during the autopsy carried out following her death on 23rd October 1996. If photographs are available, please forward copies to the Inquiry.

Furthermore, the Inquiry requires all notes and records of Claire Roberts' autopsy which are in the possession of the Regional Neuropathology Service.

I look forward to receiving the requested information by 18th January 2012.

Yours sincerely,

Brian Cullen
Assistant Solicitor to the Inquiry
