Dear Ms Beggs,

Re: Claire Roberts

I advise that the Inquiry requires the following information:-

- (1) How many beds were on Allen Ward when Claire Roberts was admitted on 21st October 1996 (ie) what the capacity of the ward was at that time
- (2) How many beds were actually occupied by patients on the evening of 21st October 1996 and throughout 22nd October 1996?

Furthermore, the Inquiry requires a plan of Allen Ward as it was in October 1996 with the following marked on the plan:-

- (a) Bays (including Bay 7c)
- (b) Cubicles
- (c) Beds
- (d) Nursing station/nurses' office
- (e) Sister's office
- (f) Reception desk for the ward

I look forward to receiving the requested information by 6th February 2012.

Yours sincerely,

Brian Cullen
Assistant Solicitor to the Inquiry
