Dear Ms Beggs,

Re: Claire Roberts

I would be grateful if you would provide me with the following information:

1. The concentration and ampoule size of Midazolam used for intravenous administration at RBHSC in October 1996.
2. In October 1996, how many ampoules would have been available on paediatric wards (such as Allen Ward) for administration at any one time?

Please forward this information to the Inquiry by 2nd July 2012.

Yours sincerely,

Htaik Win
