Dear Madam

**RE: INQUIRY INTO HYPONATRAEMIA RELATED DEATHS- CLAIRE
ROBERTS**

We refer to the above and to Ms Ross's e-mail of 16th October 2012 in which she asked whether Dr Stewart recalls treating any other children on the Ward on 22nd October 1996.

Dr Stewart instructs that this was his first Paediatric attachment at the Royal Belfast Hospital for Sick Children, and so, naturally, he does recall some details from that time. He recalls he did have some involvement on Dr. Sands' ward round, and he certainly saw a number of children during the course of that particular morning and afternoon. However, without the benefit of hand written notes, he is not presently able to recall these patients with precision.

Yours sincerely
