Dear Ladies

I refer to my recent email.

I now attach the above documents and I request that they are all given an Inquiry reference and will be available to be called up on screen during Dr Herron's evidence as he wishes to refer to the attached files which demonstrate the presence of inflammatory cells in NPPM 114-960001.jpg and NPPM 114-960002.jpg and neuroblasts in NPPM 114-960009.jpg.

I will also send you a coloured paper copy of the above slides, for your reference.

Kindly acknowledge receipt and confirm.

Kind regards

Angela
