Dear Madam,

RE: INQUIRY INTO HYPONATRAEMIA RELATED DEATHS – CLAIRE ROBERTS

I refer to your letter of 23rd May 2013. I now enclose copy extract from the notes of Patient "W2" as requested. I am instructed that patient "W2" was 11 months old. Patient "W2"'s weight is recorded as 7.12kg on 16th October 2013 and 7.18kg on 21st October 2013. Furthermore I am instructed that the ward held and used Midazolam 10mg/5ml in 1996.

I trust that this is in order.

Yours faithfully

JB Bolton
