Dear Sir,

### RE: INQUIRY INTO HYPONATRAEMIA RELATED DEATHS

I refer to the above and your letter of 13<sup>th</sup> December 2011 (BC-0075-11).

I am instructed that the Chronology (RGH3) was drawn up by Mr. A P Walby (FRSC Ed) Clinical Director, Legal Services, Belfast Health and Social Care Trust. The source of the information is as stated in our letter of 30<sup>th</sup> June 2011. The On Duty/On Call 2 page listing was prepared from the same source. The listing in respect of the doctors refers to the time of their first involvement with the case. In respect of Eleanor Donaghy it has since become evident from her witness statements that she was not involved in the preparation for the transplant but only while it was ongoing so therefore her designation should be changed to 'On Duty'. It is also likely that the designation of Dr. Bhanumurthy as being 'On Call' is incorrect but his witness statement should provide clarification.

I trust that this is in order.

Yours faithfully,

Joanna Bolton
