Dear Sir,

### RE: INQUIRY INTO HYPONATRAEMIA RELATED DEATHS

I refer to the above and your letters 28<sup>th</sup> February 2012 (BPC-0158-12, BPC-0160-12) and also your letter of 23<sup>rd</sup> March 2012 (BPC-0172-12). I note that you have now confirmed that 'Northern Ireland Circular HSS 2/95' is one and the same document as 'guidance note HSS (GHS) 2/95.

You will also note my letter of 13<sup>th</sup> February 2012, in reply to annex 1c of your letter BC-0063-11. I am instructed that now that the Trust is aware that the request at annex 1d of the same letter relates to the Trust actions in relation to the same HSS circular, the information contained in my letter dated 14<sup>th</sup> December 2011, in respect of annex 1 d was incorrect. I am instructed that the information contained within my aforementioned letter of 13<sup>th</sup> February 2012 can be taken as the Trust's response to annex 1d of your letter BC-0063-11, and also to your letter of 22<sup>nd</sup> February 2012 (BPC-0147-12).

Given that the Trust has already provided the requested information I would be obliged if you could confirm that you no longer require it to identify a witness to give evidence on this issue?

I await hearing from you.

Yours faithfully,

Joanna Bolton
