Dear Ms Beggs,

Re: Adam Strain

I refer you to document 060-002-002 which refers to Professor Savage being asked on 17th November 2004 to provide some 'thumbnail info' to the Royal's Corporate Affairs in relation to Adam's case.

Professor Savage said in evidence on 17th April that he had provided information to the Trust on polyuria.

I would be grateful if you would send me all information provided by Professor Savage after Adam's death, in particular the 2 items detailed above. I would be grateful for your response by Friday 18th May 2012.

Yours sincerely,
