Dear Mr McMillan,

Re Dr P Keane

Please find attached a letter sent today to DLS concerning the departure of Mr Keane from the Royal towards the end of Adam's transplant surgery. In his witness statement he referred to a specific urgent call which led to him going to the BCH. The DLS, on behalf of the Belfast Trust, have stated in their letter of 27 February that the only theatre to which Mr Keane could have gone, in effect, was Theatre 6. We have obtained the theatre log but the only entry identifying your client is for a quite different procedure, so far as we understand it. Can you and your client please assist on this in order to resolve any issue which might be raised about his departure?

For your assistance we enclose our correspondence with DLS and the theatre log for Theatre 6 which we received from the PSNI. It is not redacted for the purposes of this specific enquiry - a redacted copy has already been forwarded to you.

Yours sincerely,

Bernie Conlon
