

CURRICULUM VITAE

BRIAN G R NEVILLE

NAME: Brian George Richard Neville

HOME ADDRESS: [REDACTED]

WORK ADDRESS: [REDACTED]

TELEPHONE: [REDACTED]

STATUS: [REDACTED]

PRESENT APPOINTMENT Professor of Childhood Epilepsy
Institute of Child Health
(UCL), GOSH, National Centre for Young People
with Epilepsy, Lingfield.
January 2008 -

DATE OF BIRTH: [REDACTED]

QUALIFICATIONS: M.B., B.S. April 1964 (Guy's Hospital, Medical
School, London)
M.R.C.P. (London) October 1966
F.R.C.P. 1980
G.M.C. (No. 0579388) Paediatric Neurology
August 1996
FRCPCH 1997

PREVIOUS APPOINTMENTS: Prince of Wales's of Professor of Childhood
Epilepsy.
Institute of Child Health
(UCL), GOSH, National Centre for Young People
with Epilepsy, Lingfield.
October 2004 – December 2007

Professor of Paediatric Neurology,
Institute of Child Health,
University of London.
Hon. Consultant, Paediatric Neurologist, Great
Ormond Street Hospital
for Children NHS Trust.
October 1989-September 2004

Consultant Paediatric Neurologist
and Director of the Newcomen Child
Development Centre, Guy's Hospital.
Lecturer in Paediatric Research Unit,
[REDACTED]
[REDACTED]

United Hospitals Medical School,
University of London.
1973-89

Senior Registrar, National Hospital
for Nervous Diseases and Great
Ormond Street.
1970-72

Research Fellowship, (MRC)
1969-72

Academic Registrar and House Officer,
National Hospital for Nervous Diseases,
Queen Square.
1969-70

PRESENT PROFESSIONAL WORK:

1. Member of the clinical epilepsy team.
2. Director of epilepsy research programme.
3. Trustee and Chair of Health Services Committee NCYPE
4. Chair, North London Paediatric Epilepsy Research Group

GRANTS HELD

1992-2000	Brittle Bone Society: Grant holder BGR Neville Service grant £45,000 per annum
1992-1995	Action Research: Grant holder BGR Neville "A study of the pathological basis of epileptogenesis in childhood complex partial seizures" £99,516
1992-1997	Wellcome Trust: Grant held jointly - D Gadian, SR Williams, A Connolly, F Vargha-Khadem, BGR Neville and FJ Kirkham "A study of focal lesions in childhood epilepsy in cerebral ischaemia, from biochemical and structural abnormalities to cognitive dysfunction" £1,213,647 and £896,754
1993	St Piers Lingfield Trust: Grant holder BGR Neville "Community service for childhood epilepsy" £20,000 including support for Professor David Taylor.

1994-1998	ODA: Grant Holders P Zinkin, BGR Neville and T Harpham "Community based rehabilitation research in India" £200,000
1994-1997	Wellcome Trust Training Fellowship awarded to Dr Deb Pal (sponsored by BGR Neville). "Childhood epilepsy management in West Bengal" £146,000
1994-1997	Wellcome Trust: Grant Holders D Gadian, A Connolly, F Vargha- Khadem, BGR Neville, F Kirkham, W Chong, N Bruggen "Magnetic resonance investigations of brain pathology and function in children with focal brain damage" £2,059,857
1994-1996	North Thames Regional Health Authority: Grant Holders Sheena Reilly, David Skuse, Adrian Fourcin, Brian Neville "A new non-invasive technique to assess oral and pharyngeal dysphagia" £70,240
1995-1998	Anonymous donation: Grant holders BGR Neville and F Besag "Innovative treatments of status epilepticus" £150,000
1995-1998	Handicapped Children's Aid Committee: Grant Holder Brian Neville Monitoring physiological events in epileptic seizures. £25,044 equipment grant.
1996-1998	Novo Nordisk: Grant Holder Brian Neville "A study of the efficacy and safety of tiagabine in the treatment of partial seizures in children with epilepsy" £17,881
1996-1999	NHS Executive: Grant Holder Brian Neville "Evaluation of speech and language therapy for children using communication aids" £140,862
1997-2002	Wellcome Trust: Grant Holder Charles Newton (Brian Neville is sponsor) "Aetiology, mechanisms and consequences of neurological damage from central nervous system infections in African children (Wellcome Career Post in Clinical Tropical Medicine)" £642,568
1998	Anonymous donation: Grant holder Brian Neville "The emergency treatment of epileptic seizures using buccal

sublingual benzodiazepines (midazolam)" [Extension of previous grant].
£18,000

1999 - 2000

Brittle Bone Society: "A descriptive study of the neurological and related problems of children and young adults with osteogenesis imperfecta." Grant holders: BGR Neville, L Carr, C Clark.
£50,000

1999 - 2000

SPARKS: Grant holders Brian Neville, Kate Price, Nicola Jolleff, and Lucinda Carr
"Investigation of speech and feeding problems in Worster-Drought syndrome"
£26,229

1999 – 2002

The Wellcome Prize Studentship awarded to Mrs Julie Carter.
"The interaction between speech and language impairments and epilepsy in African children following severe malaria." Grant holders: J Carter, C Newton, BGR Neville.
£73,134

1999 – 2004

The Wellcome Trust: Grant holders David Gadian, A Connelly, SR Williams, Faraneh Vargha-Khadem, Brian Neville, Helen Cross, Fenella Kirkham, Robert Surtees, and W Chong
"Focal pathophysiology and its functional consequences in children with brain disease"
£1,432,606

2000-2002

Anonymous donation
(3 years)
Community studies of paediatric status epilepticus
BGR Neville and F Besag
£150,000

2000

The Kirby Laing Foundation
Neuropsychiatric follow-up of children receiving surgery for epilepsy:
Travel grant: Professor David Taylor and Dr Karin Moses)
BGR Neville
£5,000

2000-2002

The Tuberous Sclerosis Association
Tuberous Sclerosis clinic
BGR Neville
£60,000

2001

The HSA Charitable Trust
"Mechanisms of cognitive impairments in the epileptic encephalopathies"
BGR Neville, RC Scott and K Werner

£69,876

- 2003 The Wellcome Trust
Wellcome Trust Career Post in Clinical Tropical Medicine over a period of 60 months for Dr Charles Newton under Professor Neville's sponsorship
"The causes and consequences of seizure associated with Plasmodium falciparum infection."
£1,482,395
- 2003-2008 European Community
"European network for research on alternating hemiplegia in childhood for promoting SMEs integration"
T Schyns, A Moser, G Spiel, Casaer P, Nevsimalova, D Poncelin, A Arzimanoglou, R Vavasson, C Zucca, G Casari, A van der Maagdenberg, J Campistol, B Neville
£238,600
- 2007 Wellcome Trust
The consequences and outcomes of convulsive status epilepticus
R Scott, B Neville, D Gadian, C Clark et al
£310.000 (amount to be confirmed)
- 2007 The Wolfson Foundation
'The childhood epilepsy research proposal programme based at the National Centre for Young People with Epilepsy.' BGR Neville, SA Aylett, KB Das, JH Cross, RC Scott.
£2,000,000 – Capital grant
- 2007 European Community
(Programme of community action in the field of public health.
European network of reference for rare paediatric neurological diseases.
T Schyns with G Spiel, G Sange, P Casaer, B Neville, S Nevismalova, G Plazzi, A Helm, F Crawley et al.
Amount to be agreed

GUEST LECTURES (from 1994)

- Sept 1994 6th European Regional Conference of Rehabilitation International
"Current dimensions in the management of developmental disability"
- Sept 1994 Loughborough, UK. Association of Medical Research Charities - AMRC
section of British Association for the Advancement of Science Conference
"Imaging and Diseases of the Brain"
- Nov 1994 International Society for Prosthetics and Orthotics Consensus Conference on

the Lower Limb Orthotic Management of Cerebral Palsy, Keynote speaker, Duke University, North Carolina.

- Nov 1994 Sidcup, UK. Handicapped Child Day
"Future approaches to investigation and management of children with disabilities"
- 30 Nov 1994-3 Dec 1994 Genova, Italy. Societe Europeenne de Neurologie Pediatrique
"Neurosurgical treatment of child epilepsy: London experience"
- 19 Mar 1995-23 Mar 1995 Eilat, Israel. The First Interim Meeting of the European Society of Paediatric Neurology. Moderator - Round table discussion - "New therapeutic approaches in the epilepsies."
- 19 Mar 1995-23 Mar 1995 Eilat, Israel. European Society for Paediatric Neurosurgery (ESPN)
"Modern imaging and paediatric dimensions to epilepsy surgery"
- 15 Jun 1995 - 17 Jun 1995 Miami, USA. Sixteenth Annual Child Neurology Postgraduate Course
"Benign and pervasive epilepsy syndromes" and
"Evaluation of children for epilepsy surgery"
- 10 Sept 1995 - 12 Sept 1995 Budapest, Hungary. Second World Congress on Conductive Education
"The Conceptual Possibilities for Rehabilitation"
- 13 Oct 1995-14 Oct 1995 Paris, France. Reunion en L'Honneur de Jean Aicardi
"The paediatric issues in epilepsy surgery - the Great Ormond Street experience".
- 30 Nov 1995 Genova, Italy. Society Europeenne de Neurologie Pediatrique.
"A modern approach to paediatric epilepsy surgery"
- Feb 1996 London, UK. Mac Keith Meeting, Royal Society of Medicine.
"Landau Kleffner syndrome"
- Mar 1996 Winchester, UK. Scope: School for parents network fourth national conference.
"The conceptual possibilities of rehabilitation"
- Apr 1996 Sienna, Italy. "Epilepsy surgery in childhood"
- Apr 1996 Calcutta, India. Indian Academy of Paediatricians Meeting.
"Community based rehabilitation as a vehicle for the delivery of medical care and the interface with paediatric neurology".
- May 1996 Plymouth England. Special Families Trust Meeting. The Guy Evans Memorial lecture
"Aspects of epilepsy in children with cerebral palsy".
- Jun 1996 Mariehamn, Finland. 25th Meeting of Scandinavian Paediatric Society.
- ██
- ██████████

"Paediatric neurology in Europe"

- 12 Oct 1996 Invited Speaker - Worster-Drought Syndrome Support Group Family Day, Moat House Hotel, Shepperton.
- Nov 1996 Joint British Epilepsy Assoc/St Piers Lingfield Conference. "Managing Epilepsy in Primary Care : An update for General practitioners" Co-Chairman and Speaker.
- Mar 1997 Norwegian Paediatric Neurology Society guest speaker.
- 23 Mar 1997 - 27 Mar 1997 9th Asian Congress of Paediatrics, Hong Kong. "High tech advances in medical treatment in the cerebral palsies" and "A community based approach to rehabilitation" Speaker and Chairman.
- 23 - 27 Mar 1997 Hong Kong Down Syndrome Association - Speaker.
- 21 May 1997 British Council Seminar 'Paediatric Neurology Update' 97024 "Epilepsy Surgery - Indications and Investigations" Edinburgh Speaker.
- 31 October 97 Mac Keith Meetings 'New Surgical Interventions for Cerebral Palsy' London.
- 9-13 Feb 1998 Jerusalem, Israel. "New Horizons in Paediatric Neurology/Neurosurgery". Coordinator and speaker: 'Cerebrovascular disease' and 'Epilepsy'.
- 20 Feb 1998 Lisbon, Portugal. "Epilepsy surgery in children".
- 25 Feb 1998 London. Royal Society of Medicine. Joint neurology/paediatric neurology meeting. Joint organiser and speaker.
- 7 Mar 1998 UK. "Recent advances in West Syndrome". Seminar for the UK parent support group.
- 30 Mar 1998 International seminar in Pisa, Italy. "Steroid responsive motor disorders in association with epilepsy."
- 14 May 1998 Bornholm. Scandinavian paediatric neurology meeting. Guest speaker. "Management of the cerebral palsies."
- 20 June 1998 UK Landau-Kleffner Support Group. Running a seminar on "Recent advances in treatment".
- 4-6 June 1998 40th Annual Meeting of the Japanese Society of Child Neurology (JSCN), Yokohama.
"Reversible Disability associated with Epilepsy" Guest Lecture.
Guest lecture at Tokyo Women's Medical College: "Recent advances in the management of the cerebral palsies".
Segawa visiting fellow. "Paediatric epilepsy surgery"
- 1 July 1998 Ryegate Children's Centre Epilepsy Study Day - Speaker.

"Focal epilepsies of early childhood."

- 13-17 July 98 Hong Kong. Course director for the Annual Scientific Meeting of the Hong Kong Society of Child Neurology. Guest Lecturer for the Annual Scientific Meeting of the Hong Kong Society of Child Neurology and Developmental Paediatrics: Benign epilepsies including febrile convulsions; Malignant epilepsies; Status epilepticus; Surgical treatment of epilepsy; Landau-Kleffner syndrome and behavioural disorders associated with epilepsy; Towards a comprehensive community service for children with epilepsy. The main lecture- Epilepsy: a potential reversible cause of developmental disability.
- 10 Sept 1998 London. Institute of Child Health (ICNA Satellite Meeting) "Stroke in childhood. Moya-moya disease".
- 11 Sept 1998 Venice, Italy (ICNA Satellite Meeting) Guest lecture. "Use of modern investigations in childhood epilepsy.
- 16 Sept 1998 Lubiana, Slovenia. International Child Neurology Meeting. Section organiser, "Cerebrovascular diseases in childhood".
- 8 Oct 1998 UK. Mac Keith Meeting. Prevention of Epilepsy: "Surgical strategies for reducing secondary, cognitive and behavioural impairments in young children."
- 16 Oct 1998 Pamplona, Spain. Guest lectures. "Epilepsy as a disabling condition." Epilepsy surgery in childhood."
- 19-20 Oct 98 Rideau Hall, Ottawa, Canada. Joint organiser of an international seminar. "The vulnerable child".
- 1 Nov 1998 Malta. Paediatric Update '98. Course for general practitioners. "Role of new anticonvulsants".
- 27 Nov 1998 Graz, Austria. International Symposium on Qualitative Assessment of General Movements and Cerebral Palsy: "Towards a Pathological Classification of Developmental Motor Disabilities."
- 4 Dec 1998 San Diego, USA. Running a symposium and lecturing as part of the American Epilepsy Society Annual Meeting.
- 17 Jun 1999 Oxford. Park Hospital for Children, Paediatric Epilepsy and Neuropsychiatry Meeting "Landau-Kleffner syndrome."
- 25-26 Jun 1999 Rome. International School of Neurological Sciences 9th Annual Symposium of the Child Neurology Section: "Epileptic Pathways to Autism."
- 21-23 Oct London. President of the 11th Annual Meeting of the European Academy of

1999	Childhood Disability. Workshops: "Aims of parent support groups", "Epilepsy as a cause of disability".
11 Nov 1999	U.K. St Piers and British Epilepsy Association. "The Child with Problematic Epilepsy: major issues for the family; major challenges for the Paediatrician."
3-8 December 1999	Orlando, USA American Epilepsy Society Annual Meeting "Finding the right Balance"
13 Apr 2000	Barcelona. Parke Davis Spain Round Table annual guest lecture. "Epileptic encephalopathies: a remediable cause of disability".
3 June 2000	U.K. Friends of Landau-Kleffner Syndrome (FOLKS) invited speaker. "The organisation of medical care for children with LKS"
September 2000	American Academy of Developmental Medicine and Cerebral Palsy – invited speaker. "Epilepsy as a disability". Classification of the Cerebral Palsies "Worster-Drought Syndrome".
16 September 2000	TSC Millenium Research Conference invited speaker. "Tuberous Sclerosis."
October 2000	FACD Annual Meeting, Tübingen. Invited speaker. "Epilepsy as a disability service".
7-12 October 2000	Florence. 4th European Congress on Epileptology invited speaker. "Indications for Corticectomy"
5-7 January 2001	London, British Paediatric Neurology Association XXVII Annual Meeting. Invited speaker "Surgery for epilepsy in children with tuberous sclerosis"
23 January 2001	London, Glaxo Smith Kline Advanced Lecture Series on "Epilepsy" Invited Speaker "Epileptic encephalopathies".
17-18 January 2001	UK Medtronic Ltd. Symposium "Deep Brain Stimulation for Movement Disorders : A review of European Results and STN Programming Guidelines"
7-10 June 2001	Bled, Slovenia. 5 th International Congression on Cerebral Palsy. Introduction given at Main Congress.
17 June 2001	London, Smith-Magenis Syndrome Foundation Professional Advisory Committee Meeting
14 July 2001	London, Lady Ann MacLaurin Lectures "Epilepsy and Regression in Children: The Spectrum of Landau Kleffner Syndrome Medicine and Science." Chairman.
13-16 September 2001	Baden-Baden, Germany 4 th Congress of the European Paediatric Neurology Society
27 September	London, Annual Scientific Meeting Wellcome Trust Bloomsbury Centre for

2001	Clinical Tropical Medicine
27-29 September 2001	Bucharest 24 th National Conference – Neurological and Psychiatric Disorders of the Adolescent. Invited Speaker “The new classification of the cerebral palsies”
17 November 2001	London Smith-Magenis Syndrome Foundation Professional Advisory Committee Family Day and Annual Meeting
16-18 January 2002	Newcastle upon Tyne, UK British Paediatric Neurology Association XXVIII Annual Meeting
3-6 April 2002	Exeter, Annual Meeting of the International League Against Epilepsy. Invited speaker “Long-term outcome of early epileptic encephalopathy”
18 April 2002	London Update on Keppra “Update on Assessment Unit at the Chalfont Centre – Keppra experiences at the Chalfont Centre”.
2 May 2002	Paris, France European Advisory Group Meeting “Discussion on Vigabatrin and Infantile Spasms/ West Syndrome” Invited speaker
30 August 2002	Oslo, Norway. Norwegian Paediatric Neurology Associations Meeting. Guest Lecturer “A new system for classification of the cerebral palsies”
11 October 2002	Barcelona, Spain. Jornada Internacional sobre Trastornos Neuropediatricos Multidisciplinarios. Guest Lecturer “T.O.M. Therapy: Overview.”
31 January 2003	Toronto, Canada. Toronto Children’s Hospital. Guest Lecturer “The John Stobo Prichard Lecture”
5 February 2003	London. The interface between paediatric neurology and psychiatry: a training day for child psychiatry specialist registrars. Michael Rutter Centre, Maudsley Hospital Children’s Department. “Paediatricians and psychiatrists working together”
11 March 2003	London. Study Day for Professionals – Neurology of Tuberous Sclerosis. Tuberous Sclerosis Association. Guest Lecturer and Chairman. “Epilepsy, regression and surgical intervention”
22-24 May 2003	Graz, Austria. The 4 th Graz Symposium on Development Neurology. Guest lecturer. “What we need to know about brain development. Neuroplasticity: Facts and fictions”
19 March 2004	ICH – A Lecture on “A Practical Approach to Epilepsy: Epileptic encephalopathies and their medical treatment.”

(Guest lectures to be updated)

MEMBERSHIP OF PROFESSIONAL BODIES ETC:

- (a) British Paediatric Association /College of Paediatrics and Child Health (member of Disability Subcommittee 2000 - 2005)
- (b) British Paediatric Neurology Association

Committee Member	1978 - 1990
Secretary	1980 - 1983
President	1986 - 1989
Chairman of the Training	1993 - 1999
Sub-committee	
- (c) Association of British Neurologists
- (d) Editorial Board membership.

Developmental Medicine and Child Neurology	1977 - 1992
Journal of Neurology, Neurosurgery and Psychiatry	1985 - 1988
Paediatric Neurology	1991 - present
Current Opinion in Neurology & Neurosurgery	1993 - present
- (e) Medical adviser to CORPAL, the support group for families who have children with Agenesis of the Corpus Callosum (ACC); Link (Neurofibromatosis), The Dystonia Association, Landau-Kleffner group (FOLKES), Worster-Drought group.
- (f) Previously member of the Medical Advisory Committee of the Spastics Society.
- (g) Executive Secretary of the Medical Education and Information Unit of the Spastics Society from 1978-1992 which involved organising about 6 international meetings and study groups a year on neurodisability and paediatric neurology.
- (h) Past chairman and founder, European Academy of Childhood Disability. 1989 - present.
- (i) Chairman and Co-founder, European Society for Movement Analysis in Children. 1993 - 1996.
- (j) Royal College of Physicians

Member of the Neurology Committee	1989 - 1994
Member of working party in District level Neurology Services	1993 - 1994
Representative member on the Spastics Society	1989 - present.
- (k) European Community - Paediatric member of UEMS section of Neurology.
- (l) President of European Board for Recognition of Paediatric Neurology and Rehabilitation.
- (m) Member of Board of European Paediatric Neurology Society and Chairman of its Education and Training Committee
- (n) Joint member of Board of Inquiry into
 - (1) Paediatric Neurology service in Necker-Enfant Malades Hospital, Paris (1997)

(2) B12 Unit at Chelsea and Westminster Hospital (1997).

- (o) Advisor of the Society to the Hong Kong Society of Child Neurology & Developmental Paediatrics, 1999 - present

Higher degree students

Malgortzata Borzyskowski 'Neuropathic bladder in childhood'. MD awarded University of London 1985. Became consultant paediatric neurologist at Guys Hospital and has since died.

Deb Pal 'Randomised controlled trial of treatment of epilepsy in children in West Bengal'. Awarded PhD University of London 1989. Continued academic appointment in Columbia University USA.

Fennella Kirkham 'Cerebral haemodynamics in normal subjects and children in coma' 1986-2006. Cambridge MD awarded 2006. Currently Professor of Paediatric Neurology UCL Institute of Child Health

J Helen Cross 'The non-invasive localisation of brain abnormality in intractable focal epilepsy in childhood' 1995 -1998. Awarded PhD UCLICH London University. Currently Prince of Wales's Professor of Childhood epilepsy UCLICH

Catherine DeVile 'The natural history and management of craniopharyngioma' 1992-1994. London University MD awarded 1995. Currently Consultant Paediatric Neurologist Great Ormond Street Hospital.

Rod Scott 'Childhood status epilepticus: structural consequences and assessment of a novel treatment' (1996-1999) UCLICH London University PhD awarded 1999. Currently reader in paediatric neurology UCLICH

Klaus Werner 'Cognitive impairment in the syndrome of infantile spasms'. 2002 -2006. UCLICH University of London PhD awarded 2007. Currently continuing training in paediatric neurology in Toronto.

Julie Carter 'Epilepsy and developmental impairments following falciparal malaria in Kenyan children'. A study of their prevalence, relationships, clues to pathogenesis and service requirements 1999-2002. UCLICH London University PhD awarded 2003. Currently Lecturer International Child Health UCLICH.

Selina Banu 'Childhood epilepsy in Bangladesh: Clinical profile, predictors of outcome and randomised controlled trial of efficacy and side effects of drug treatment. PhD awarded 2003. Currently Consultant Neurophysiologist and paediatric neurologist in Bangladesh.

Michael Kihara 'The use of event related potentials to measure visual and auditory processing mechanisms in cognitively impaired children'. PhD awarded 2007/2008. Currently doing post doc research open university Kemri/ICH London

Brigitte Vollmer 'The neural basis of epilepsy and cognitive impairment in children born pre-term' – A neuroimaging study. PhD awarded 2008. Currently Consultant Paediatric Neurologist at the Karolinska Institute Sweden.

Richard Idro 'Seizure in children with acute falciparum malaria; Risk factors, mechanisms of damage and neuro protection'. 2004-2007 University of Amsterdam PhD awarded in 2008. Currently Consultant Paediatrician in Kenya.

VOLUNTARY WORK

Chairman of Petts Wood playgroup for children with special needs.

Previously Trustee, Sick Children's Trust.

Previously Chairman of the Trust that built the Ronald McDonald House at Guy's Hospital.

Previously Medical Advisor to the 'One Small Step' appeal.

Trustee and Chairman of Health Services Committee, National Centre for Young People with Epilepsy.

Medical Advisor to the Rett Syndrome Association (UK) - February 1997.

Chairman of Paediatric Epilepsy Support Group Orpington.

Medical Advisor to Landau-Kleffner Syndrome Support group (FOLKS).

Medical Advisor and Honorary Life Member to Worster-Drought Syndrome Support group.

Medical Advisor to Contact and Family.
