Dear Madam,

RE: INQUIRY INTO HYPONATRAEMIA RELATED DEATHS-CLAIRE ROBERTS

I refer to the above matter and your letter of 8th April 2013.

The Trust has inspected the notes in respect of patient "W2" and believes that there is information which is potentially relevant to the issue raised in your aforementioned letter.

Furthermore the Trust has no record of consent in respect of the previous application to view patient W2's notes.

I trust that this clarifies matters and await hearing from you by return.

Yours faithfully
