

# CURRICULUM VITAE

**Name: Dr Michael Curtis**

## Current Position

Deputy State Pathologist, Republic of Ireland from November 2004 to present.

## Qualifications

MB ChB Dundee 1977

## Teaching and Training

I hold academic appointments with the Royal College of Surgeons of Ireland, University College, Dublin and Trinity College Dublin.

I also serve as an external examiner for University College, Cork.

For six years I served as external examiner in Forensic Pathology at the University of Dundee.

The RCSI appointment involves teaching and examining in Dublin, Penang and Bahrain. These posts involve extensive teaching to undergraduate and post-graduate students.

## Career Outline

September 1999 – November 2004:	Assistant State Pathologist, Northern Ireland
January 1999 – August 1999:	Visiting Fellow in Forensic Pathology, New South Wales Institute of Forensic Medicine, Sydney, Australia.  A component of this post was the supervision and training of post-graduate trainees in pathology and forensic pathology.
