Dear Madam

**RE: INQUIRY INTO HYPONATRAEMIA RELATED DEATHS- RAYCHEL  
FERGUSON CLINICAL**

I refer to the above, to your letter dated 7<sup>th</sup> January and to our letter dated 17<sup>th</sup> January 2013. We confirm we have received further instructions in response to question 7 of your letter.

Our client raised this question with the technical staff. Our client instructs that there is only one member of the current technical staff in ICT who worked in the former Altnagelvin Trust in 2001. The staff member can recall that the ward areas did have internet access, although there was not the same volume of PCs in use then as there are today. He confirmed there was no policy to restrict access in any way.

This concludes our client's response in this matter.

Yours faithfully

  
John Johnston  
Solicitor
