Dear Ms Crawford,

Re: Raychel Ferguson Clinical

I refer to the above matter, and the witness statement recently received by the Inquiry from Mr. R. Makar (WS-022/2), a copy of which is enclosed for your attention.

In answer to question 5 Mr. Makar explains that he wrote up and signed Hartman's solution in a fluid balance sheet at the A&E. He states that this document is not included in Raychel's medical notes.

Please obtain from your client and provide to the Inquiry a copy of the A&E fluid balance sheet referred to by Mr. Makar. If for whatever reason this document cannot be produced, please obtain from your client an explanation for this.

I am grateful for your assistance.

Yours sincerely,

Anne Dillon
