Dear Ms Beggs,

Re: Raychel Ferguson

I refer to Dr Jamison's Statements.

Can you please forward to the Inquiry all documents held by your client relating to:

1. The original request for a statement at 022-078-197, particularly the details of what "records" were sent with this request.
2. The request at 022-056-154 where Dr Jamison refers to the post-entry note.
3. Her statement at 012-015-118 (which was subsequently provided to the Coroner under cover of letter at 022-046-127), which refers to 300mls Hartmann's.
4. Therese Brown's letter to DLS at 022-045-125, particularly the reference to Dr. Jamison's 'unwillingness to amend that statement further'.
5. Her deposition at 012-034-164 which corrects the 300mls to 200mls.

As oral evidence will start again in 26th February I would be grateful for an immediate response.

Yours sincerely,

Bernie Conlon
Secretary to the Inquiry
