Dear Ms Bolton,

**Re: Raychel Ferguson Documents**

I refer to your letter of today to Mrs Conlon.

The Chairman does permit the extension sought. He has directed that the revised index to the DLS Western Trust Inquest file be furnished no later than 4.30 pm today. In addition he requires that from that list of documents, the Trust should clearly identify those which they are considering making a privilege claim in respect of. Notification to the Inquiry of their final decision as to whether or not this claim will be made may be left to Monday.

I would be grateful to receive the revised index and identification of the documents in respect of which a privilege claim may be made in accordance with the Chairman's direction.

Yours sincerely,

pp Anne Dillon  
Solicitor to the Inquiry
