Dear Ms Beggs,

Re: Raychel Ferguson

As you are aware the Inquiry is continuing its investigations into the case of Raychel Ferguson who died on the 10 June 2001.

The Inquiry is aware that on the morning of the 9 June 2001 Dr. CCM Morrison (Consultant Radiologist at Altnagelvin Hospital) carried out CT scans of Raychel's brain. You will see reference to those scans in the following Inquiry documents: [020-015-026] and [020-026-055].

It is the intention of the Inquiry to have these scans reviewed by a Neuroradiologist in the near future. Accordingly, please contact the writer so that arrangements can be made to enable the Inquiry to obtain the original CT films made by Dr. Morrison.

We look forward to hearing from you as soon as possible.

Yours Sincerely

Caroline Martin
Solicitor to the Inquiry
