Dear Madam

**Re: Our Clients: Mr & Mrs Ferguson
Privilege Issue in respect of Raychel Ferguson's documents**

Thank you for your email of the 30th November 2009 the contents of which we have now relayed to our clients and Counsel.

We can only comment by way of gratitude that the matter has been resolved much to the relief of our clients. We now await sight of the three Reports as soon as possible.

Just to assist the Inquiry and the Trust and for the avoidance of doubt as far as we are concerned the entirety of this matter is satisfactorily resolved and we only seek production of the three medical reports and we look forward to receiving same.

Yours faithfully
