Inquiry into Hyponatraemia-related Deaths

Dear Sir

**RE: INQUIRY INTO HYPONATRAEMIA RELATED DEATHS- RAYCHEL
FERGUSON PRELIMINARY**

I refer to the above matter and to your letter dated 22nd April 2013 (reference quoted above).

My client has instructed me that Lucy's parents did provide consent for a hospital post mortem (Inquiry reference 061-018-067). However, as previously advised, a copy of the consent form is not located within either the RBHSC casenotes or the Pathology Department's file. Furthermore, as previously advised, the Belfast Trust is unable to locate a copy of said consent form.

This completes my client's response to your aforementioned letters.

Yours faithfully
