Dear Madam

RE: INQUIRY INTO HYPONATRAEMIA RELATED DEATHS- LUCY CRAWFORD

I refer to the above matter and to your letter dated 20th August 2012 (reference as quoted above). I reply, using the same numbering as adopted in your letter, as follows:-

1. Management Organisation Chart for the Erne Hospital in 2000 attached.
2. I am instructed that the Trust does not hold a Job Description for Dr Anderson in his role as Clinical Director of Women and Children's. My client has only been able to furnish me with a copy of his Job Description for his position as Consultant Gynaecologist, a redacted copy of which I now attach.
3. Please now find attached the Sperrin Lakeland Annual Board Reports for 1999-2000 and 2000-2001. My client informs me that the 1998 Report is unavailable.
4. The number of Paediatric (Medicine) Admissions to Erne Hospital was as follows:
Year 1998 = 1031 Admissions.
Year 1999 = 1332 Admissions.
Year 2000 = 1482 Admissions.
Year 2001 = 1489 Admissions.
Please note these figures exclude any Sick Baby Neo-Natal Admissions and Paediatric Surgery Admissions

This completes my client's response to your aforesaid letter. Please acknowledge safe receipt hereof.

Yours faithfully
