Dear Sir

**RE: INQUIRY INTO HYPONATRAEMIA RELATED DEATHS- R FERGUSON  
PRELIMINARY**

I refer to the above matter and to your letter dated 1<sup>st</sup> November 2012.

I am advised by my client, the Belfast Trust, that all discharge letters are filed within the patient's casenotes.

However, I am instructed that there is a possibility that the letter could have been misfiled. It is also possible that no discharge letter had ever been issued.

The Trust can confirm that a copy of the Inpatient/Outpatient Advice Note would have been forwarded to the GP.

This completes my client's response to your aforesaid letter.

Yours faithfully

Angela Crawford  
Solicitor
