Dear Ms Crawford,

Re: DOCUMENTS OF THE FORMER WESTERN HEALTH AND SOCIAL SERVICES BOARD

Further to my letters of 7 November 2012 seeking all relevant documents of the former Western Health and Social Services Board (and without prejudice to the generality of that request), the Inquiry requires copies of all Board minutes and minutes of the Board's Health Care Committee from April 2000 where Lucy's death was discussed. I note from the recently received statement of Dr McConnell that he says he made verbal reports to the Board and to its Health Care Committee on various occasions over time concerning the death of Lucy Crawford.

I look forward to hearing from you by 5 December as agreed.

Yours sincerely,

Brian McLoughlin
Assistant Solicitor to the Inquiry
