Dear Ms Crawford,

Re: Raychel Ferguson Preliminary

Further to my letter of earlier today (BMcL-0019-12), concerning documents of the former Western Health and Social Services Board, it appears from documents disclosed by the Sperrin Lakeland Trust that, in addition to the other persons mentioned in the second paragraph of my earlier letter, Mr T Frawley of the Western Board was also involved in discussions with the Trust. (See for example 036b-002-002).

Please include papers held in the files of Mr Frawley in the search for further documents of the Board.

Yours sincerely,

Brian McLoughlin
Assistant Solicitor to the Inquiry
