Dear Ms Crawford,

Re: PRELIMINARY RAYCHEL FERGUSON

Further to my letter of 6 November 2012 seeking documents in the possession of the former Sperrin Lakeland Trust, the Inquiry additionally seeks the following;

- (i) all documents in existence in 2000 pertaining to the Trust's policy and/or processes governing clinical or adverse incident reviews, and all documents pertaining to the introduction of such policy and/or processes within the Trust;
- (ii) all documents in existence in 2000 containing protocols, guidance, or policies on the reporting by the Trust of clinical incidents, or deaths, or adverse incidents, to the Western Health and Social Services Board.

I look forward to hearing from you.

Yours sincerely,

Brian McLoughlin
