Dear Mr O'Hara

**RE: INQUIRY INTO HYPONATRAEMIA RELATED DEATHS- RAYCHEL
FERGUSON (PRELIMINARY)**

I refer to the above matter, to your above-mentioned letter dated 29th January 2013, and to my letter dated 21st February 2013.

My client, the HSC Board has now confirmed that it has been able to make contact with Mr Gormley. I am advised that, unfortunately, Mr Gormley has no recollection of events during this time. He has also informed my client that he has no recollection of ever having seen any documentation relating to the death of Lucy Crawford or any other child whose death is being investigated by the Inquiry. However, Mr Gormley has indicated that he will, of course, fully co-operate with any requests made of him by the Inquiry.

Yours faithfully
