Inquiry into Hyponatraemia-related Deaths

Dear Mr McLoughlin

**RE: INQUIRY INTO HYPONATRAEMIA RELATED DEATHS- R FERGUSON
PRELIMINARY**

We refer to the above matter and to your letter dated 12th December 2012 (reference as quoted above.) We also refer to our Mr Johnston's letter dated 21st February 2013, and specifically point 6 thereof which had indicated that an Agenda for the Clive Gowdy meeting had been located by our Client, the Western Trust.

Our client has now provided us with a copy of the document which it had considered could possibly be an Agenda for the meeting with Clive Gowdy. However, we would advise that this document actually already appears (in a redacted format) in the Inquiry papers (at Inquiry reference 030-008-015- as handwritten notes by Hugh Mills dated 15th June 2000).

Mr Mills has confirmed to our client that this handwritten note by him does not actually relate to the Clive Gowdy meeting. Unfortunately, our client has been unable to locate the separate agenda for the Clive Gowdy meeting, despite extensive searches for same. Our client regrets that it can be of no further assistance to you in relation to this particular request.

Yours sincerely

Angela Crawford
