Dear Anne

Further to my earlier email this afternoon to Alison seeking confirmation as to whether this letter should be addressed to the Belfast Trust, my client has pointed out that the attached Circular relates only to those Executive Directors with professional qualifications which does not include the Chief Executive.

Also, given that the Inquiry is seeking Management Executive publications which have been issued by the Department of Health, and not the Trust, we feel that this request may be more suitably addressed to the Department rather than to our client Trust/s. Perhaps you could consider these points and revert to us, urgently.

Many thanks for your assistance.

Kind regards

Angela
