Inquiry into Hyponatraemia-related Deaths
Arthur House

Dear Ms Dillon

RE: INQUIRY INTO HYPONATRAEMIA RELATED DEATHS-RAYCHEL FERGUSON PRELIMINARY

I refer to the above and to previous correspondence in relation to the matter of the laboratory results contained within the Royal Hospital pathology file. I refer in particular to Ms Dillon's letter of 19th April to Mr and Mrs Crawford. By email of 29th April Ms Dillon confirmed to our office that her letter had been signed for by "N Crawford" on 22nd April and to date no contact with the Inquiry had been made by Mr and Mrs Crawford.

As no contact has been made by Mr and Mrs Crawford we now enclose the three pages of pathology laboratory results dated April 2000 contained within the Royal Hospital pathology department file.

Yours sincerely

John Johnston
