Dear Ms Beggs,

Re: Raychel Ferguson (Lucy Crawford Aftermath)

In your letter of 17 May responding to mine of 7 May (BMcL-0081-13) you ask for clarification of what is meant by "mortuary log book". What we mean is a mortuary/pathology log book or register (howsoever called) in which the name of the deceased, the date of receipt of the body, the date of autopsy, and the date of the release of the body, or any of this information, is recorded.

I look forward to hearing from you with copies of any relevant entry in relation to Lucy Crawford.

Yours sincerely,

Brian McLoughlin
