Dear Madam

**RE: INQUIRY INTO HYPONATRAEMIA RELATED DEATHS- CLAIRE  
ROBERTS & R FERGUSON (Preliminary)**

We refer to the above matter. We wish to bring to your attention an oversight which has occurred in relation to the 'UTV Insight file' (File 141). We now note that the Index which we had originally provided to you did not include reference to a number of documents which had been withheld for the reasons of the papers being either Inquiry-related correspondence or documents over which our client claimed legal professional privilege.

We now enclose an amended Index which corrects this oversight and which also specifically states which documents have been excluded from the file. We would explain that this has been entirely due to an administrative error on our part, for which we apologise.

We should be obliged if the enclosed papers, as per the amended index, could now be re-issued to all Interested Parties.

We will also be writing to your Mr McLoughlin separately in relation to our response in respect of a related matter, namely our letter dated 16<sup>th</sup> January 2013 to BMCL-0048-12.

Yours faithfully

Wendy Beggs
