Dear Sir,

**RE: INQUIRY INTO HYPONATRAEMIA RELATED DEATHS-RAYCHEL
FERGUSON**

I refer to your email dated 6th May 2013. I now enclose the following for your attention: -

- 1) Jan 2000 – March 2004 monthly breakdown re No 18 Solution;
- 2) Jan 2000 – April 2013 monthly breakdown re No 18 Solution.

You will note that the document referred to at 1 above is simply an amended version of a document which has already been provided to you. As you are aware the earlier document omitted the figures for January 2002 from the table below the graph. The graph on the original document was correct; however it would appear that the January 2002 data was not transferred to the table below due to a typographical error. You will appreciate that your request was made on the afternoon of 6th June 2013 and required the provision of this information prior to 10.00 am the following morning.

This now completes the Trust's response to your aforementioned request.

Yours faithfully

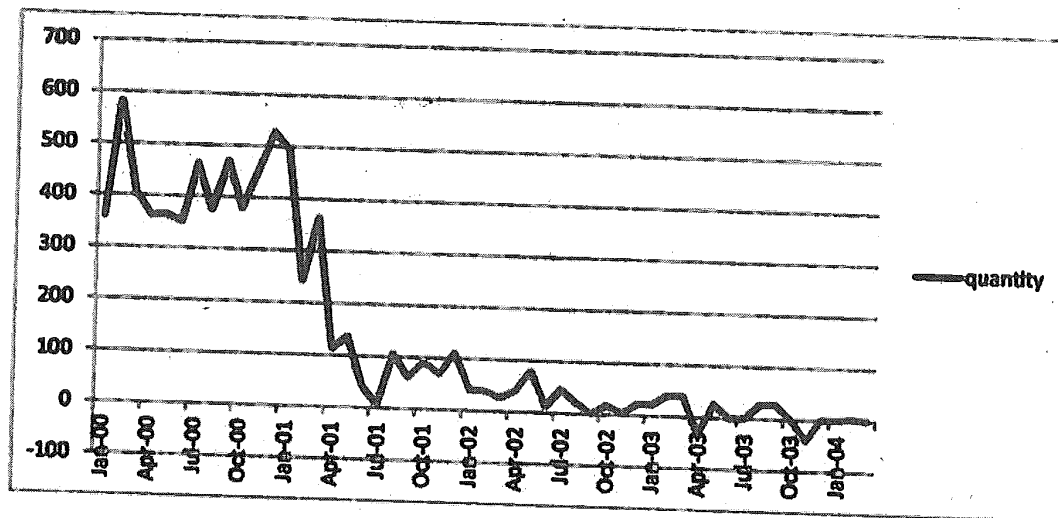

JBolton
